Vehicle 1 and Vehicle 3, then collided with Operator 3 after Operator 3 separated from Vehicle 3. Vehicle 1 came to a controlled final rest in the right shoulder of Interstate 91 Northbound. Vehicle 2 came to a controlled final rest in the right shoulder of Interstate 91 Northbound. Vehicle 3 came to an uncontrolled final rest in the swale separating the HOV lane and the travel lanes of Interstate 91 Northbound. Operator 1 reported he was not injured and declined medical treatment at the scene. Operator 2 suffered suspected minor injuries and was treated at the scene by EMS. Operator 3 suffered injuries not compatible with life, and was pronounced deceased at the scene. Vehicle 2 was driven from the scene. Vehicle 1 and Vehicle 3 were towed from the scene due to disabling damage. This case remains under investigation. Any witness to the collision is asked to contact TPR Dean # 416, at Troop H, at 860-534-1098 or through email at michael.dean@ct.gov. Furthermore, if you have a vehicle equipped with a dashcam, and you were driving through the area at the time of the collision, you are also asked to contact TPR Dean.
